NOVA POS

ARC POS

200

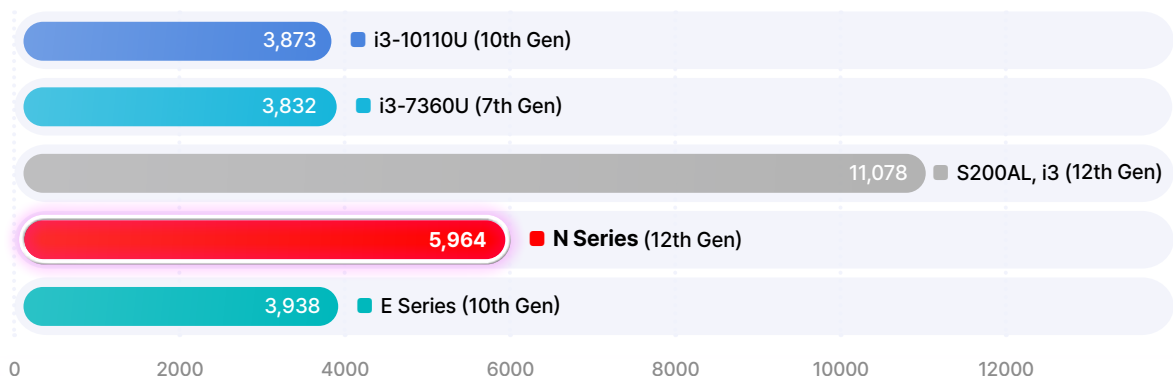

250

IMU's **N Series** (Proven CPU performance)

surpasses even the high-performance 10th Gen i-Series

Performance Chart (CPU Mark)

Only 1. IMU

imu

Not all products are the same even if they have a identical CPU!
IMU products are definitely different!

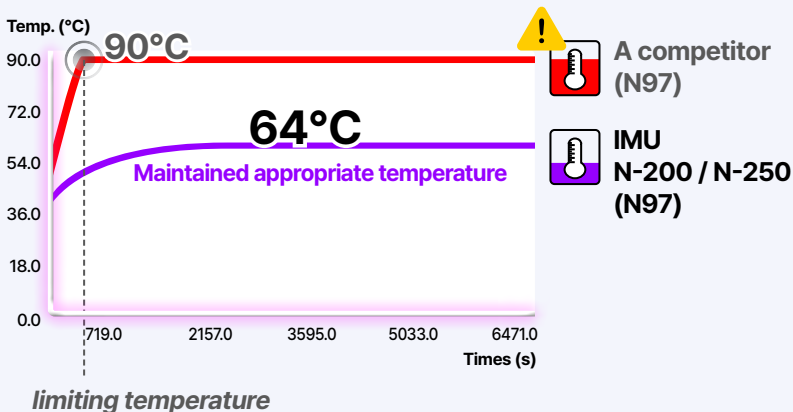

**With better heat dissipation
technology than anybody else,
IMU provides stable product life**
